

**“St. Charles  
Borromeo School is a  
great learning environment.  
I would not want to go  
anywhere else.”**

## **Our Mission**

St. Charles Borromeo School strives for academic excellence within a Catholic Christian atmosphere, and is dedicated to the growth of the whole child. In partnership with parents, St. Charles challenges students with an innovative curriculum that provides a lifetime of learning.

Principal Mary Omecene states, “St. Charles is unique because we educate for life, not just for the moment.

Religion is at the heart of everything we do.”

A successful future begins at St. Charles School.

**“St. Charles encourages parental involvement. As a result, there is a sense of community unlike any other school.”**

## Educating Students Since 1949

St. Charles Borromeo School has been a part of the St. Charles Borromeo Parish in the Northland since 1949. Education begins at age 2

1/2 with Preschool and continues through 8th grade. In addition to a formal public speaking program, educational after-school activities, and a core curriculum including art, music, P.E., library, Spanish and technology, our school places emphasis on educating students for life through a Catholic Christian integrated curriculum. At St. Charles, religion is not merely a specialized subject. Daily prayer and weekly Mass, in addition to religion classes, help students integrate their faith in their daily lives.

## Academic Excellence

St. Charles Borromeo strives to prepare students for the future. The curriculum is designed to help students make a smooth transition into high school. Starting in sixth grade, advanced classes are offered including math and literature. With strong academics, St. Charles students consistently score above average for the nation on standardized testing.

## Beyond Academics

Along with academic excellence, students also learn the value of human dignity and the concepts of peace and justice through numerous service projects, preparing them to contribute to our growing global society.
